"Compost Education: Myth and Reality," Advanced Master Gardener Training, Virginia Tech, Blacksburg, Virginia, June 1991.

"Home Composting," U.S. National Arboretum, Washington, D.C., June 1991.

"Nature's Black Gold," Spring Gardening Program, District of Columbia Cooperative Extension Service, Washington, D.C., May 1991.

"Fundamentals of Compost Education," Master Gardening Training Seminar and Workshop, Arlington and District of Columbia Cooperative Extension Service, National Home Composting Park, Alexandria, Virginia, April 1991.

"Simple Backyard Composting," Washington Flower Show, Washington, D.C., February 1991.

"Compost Ecology," classes and labs, Marymount University, Arlington, Virginia, January 1991.

"Selecting, Planting, and Caring for Urban Trees," lecture, presented at the forum "All You Need to Know About Gardening," Urban Earth and the District of Columbia Department of Recreation and Parks, Youth and Urban Gardens Program, April 1990.

### **ONGOING SERIES/PROGRAMS**

RainScapes and Rain Barrel Workshops, conducted in cooperation with the Chesapeake Bay Trust, the Potomac Conservancy, Audubon Naturalist Society, Montgomery County Public Schools, Izaak Walton League, Friends of Sligo Creek, and a variety of local municipal governments, neighborhood associations, and conservation organizations; ongoing since Spring 2002.

Master Gardening Training, annual workshops on composting and related horticultural topics conducted for Master Gardening programs in Arlington, Alexandria (Green Spring Garden Park), and Fairfax County, Virginia, and Montgomery County, Maryland; ongoing since Spring 1997.

Joe Keyser's Compost Workshops, regularly scheduled and promoted workshops and demonstrations on home composting, grasscycling, mulching, vermicomposting, and eco-landscape alteration, conducted for Montgomery County residents, students, property managers, and landscape professionals since July 1993. Over 400 workshops since 1994 attracting more than 13,000 homeowners.

VermiLab Training Sessions, specialized workshops for 320 K-12 teachers in Montgomery County covering vermiculture, organics recycling, and soil ecology in connection with the VermiLab program. Ongoing since Spring 1995.

Master Composter Training Sessions (seasonal classes and workshops Fall 1992-1999), Lathrop Smith Environmental Education Center and Montgomery County Agricultural History Farm Park, Maryland.

Composting Training for Homes and Institutions, (ongoing seasonal workshops for citizen activists since Fall 1991), in cooperation with Extension Environmental Volunteer Programs of Washington, D.C. and Northern Virginia, USDA Cooperative Extension Service.

Composting Seminars, Consultations and Workshops for: Homeowner, Community, and Public Service Organizations; Garden Clubs; Community Garden Associations; Conservation and Natural Resource Organizations and Managers; Environmental Agencies and Clubs; USDA Cooperative Extension Service and Soil and Water Conservation Personnel; Solid Waste and Recycling Managers; Professional Landscape and Trade Associations; Commercial "Brown Bag" Programs; Business Leaders; Church Groups; Retirement Communities; Property Managers; Secondary School, College and Continuing Education Classes; Bookstores; Nature Centers; and Botanic Gardens and Arboreta serving over 28,000 individuals in 10 states and representatives from 24 States and Provinces since January 1991.

### **AWARDS AND HONORS**

2005 NACo Achievement Awards (three): "Air Quality Protection Strategy," "Rainscapes Program," "Regional Wind Energy Purchase," National Association of Counties.

2004 Pegasus Award of Excellence: The GreenMan Show, "Energy Vampires."

2004 Telly Award Finalist: The GreenMan Show, "Opening Segment and Graphics."

2003 Telly Award Winner: The GreenMan Show, "Environmental and Outdoor Education."

2003 NACo Achievement Awards (two), for the Montgomery County "Environmental Partners Program" and "Healthy Indoor Air Campaign," National Association of Counties.

2001 Education Award, Audubon Naturalist Society, Chevy Chase, Maryland, June 22, 2001.

2001 NACo Achievement Awards, (two) for the Montgomery County "Environmental Assessment 2000" and "West Nile Virus Outreach Campaign," National Association of Counties, Philadelphia, Pennsylvania, July 15, 2001.

2000 NACo Achievement Awards, (two) for the Montgomery County "Environmental Lawn Care Campaign" and "The Clean Water Partners Campaign," National Association of Counties, Charlotte, North Carolina, July 2000.

1999 NACo Achievement Award, for the Montgomery County "Healthy Indoor Painting Practices Campaign," National Association of Counties, Albuquerque, New Mexico, July 1999.

1998 NACo Achievement Award, for the Montgomery County "Compost Bin Distribution Program," National Association of Counties, Portland, Oregon, July 20, 1998.

1997 NACo Achievement Award, for the Montgomery County "VermiLab" Program, National Association of Counties, Baltimore, Maryland, July 13, 1997.

1996 International ECO Awards, (8 awards total, including Gold and Silver Awards of Excellence, and special mention), Sixth Annual Environmental and Media Awards, Natural Resources Defense Council, Los Angeles, California, October 14, 1996.

1996 Outstanding Community Program Award, National Recycling Council, Pittsburgh, Pennsylvania, September 17, 1996.

Clarion Award in the category of Community Service Campaign for "Improve Your 'Pour' Performance," Women in Communications, Arlington, Virginia, August 1996.

1996 ADDY Awards (11 local and regional awards), American Advertising Federation, Washington, D.C., April 13, 1996.

1996 National Promotion and Education Award, Association of Municipal Recycling Coordinators, Toronto, Ontario, Canada, February 26, 1996.

H. Clark Gregory Award for Outstanding Grassroots Efforts to Promote Composting, Composting Council National Conference, Beltsville, Maryland, October 12, 1995.

Volunteer Service Award, Potomac Appalachian Trail Club, November 1988 and January 1984.

VIP Awards (two awards), U.S. Department of the Interior, National Park Service, September 1987-86-85.

### **GRANT FUNDING**

Chesapeake Bay Trust, Annapolis, Maryland. \$3,650 awarded November 1997 to support environmental education for teachers at the 13th Annual Environmental Conference of the Maryland Association for Environmental Education.

Stanley Smith Horticultural Trust, San Francisco, California. \$24,000 awarded December 1992 for completion of National Home Composting Park, American Horticultural Society, Alexandria, Virginia. Garden Writers Foundation, Downers Grove, Illinois. \$3,000 awarded November 1992 to assist in development of publications related to composting and the National Home Composting Park, Alexandria, Virginia.

Garden Club of Alexandria, Alexandria, Virginia. \$2,000 awarded October 1992 for edible landscape design at the National Home Composting Park, Alexandria, Virginia.

### **SPECIAL PROJECTS**

National Home Composting Park, a 1.5 acre educational park featuring over 90 compost bins and grasscycling demonstration area, utilizing edible landscaping and numerous compost applications, as well as open-pollinated vegetable species, water conservation, cover crops, vertical gardening, crop rotations, and interpretive signage, Alexandria, Virginia.

Audubon Naturalist Society Compost Demonstration Area, a 4,000 square foot demonstration area featuring a collection of varied compost bins, didactic panels and signage, and native plant landscaping, Chevy Chase, Maryland.

Smith Environmental Education Center: Compost Discovery Garden (5,000 sq. ft.) and Kitchen Worm Garden (200 sq. ft.), featuring 30 compost bins and worm boxes, native plantings and herb garden, and educational signage and activities for children, Rockville, Maryland. Also, similar Worm Gardens and related environmental/horticultural display areas at twelve Montgomery County schools.

Potomac Overlook Nature Center: Composting Demonstration Area, 1,500 square foot demonstration garden featuring eight compost bins and application exhibits, with educational signage and information kiosk, Arlington, Virginia.

Dora Kelly Nature Center: Home Composting Demonstration Site, 1,000 square foot display of 10 home composting techniques, Alexandria, Virginia.

### **SPECIAL EVENT DEVELOPMENT**

Conference Chair, "A Sense of Place: Sharing Our Bioregional Heritage," 13<sup>th</sup> Annual Conference, Maryland Association for Environmental and Outdoor Education, Rockville, Maryland, February 1998.

BioCycle Tour of Montgomery County Composting Facilities, BioCycle National Conference, May 8, 1995.

U.S. Conference of Mayors/National Association of Counties Tour of Montgomery County Composting Facilities, March 31, 1995.

Vac'n Mulch Classic, Black and Decker sponsored Media Event and Student Training, Druid Hill Park, Baltimore, Maryland, October 28, 1994.

Eco Expo '93, Environmental Festival (demonstrations, entertainment, product sales, workshops, classes, etc.), conducted on the grounds of the American Horticultural Society and National Home Composting Park, April 4-5, 1993.

Compost Park Tour and Open House, Garden Writers Association of America National Conference, September 1992.

Capital Crescent Trail Rally, Coalition for the Capital Crescent Trail, Bethesda, Maryland, June 1987.

### **PREVIOUS POSITIONS/RESPONSIBILITIES**

Board of Directors, Maryland Association for Environmental and Outdoor Education, 1998-2003.

National Recycling Coalition: Source Reduction Forum Speakers Bureau, 1995-1998

Member, Peer-to-Peer Network, National Association of Counties, 1997-present

Member, Internet and Publications Advisory Group, The Composting Council, 1996-1999

Chair, 1998 Annual Conference, Maryland Association for Environmental and Outdoor Education, Rockville, Maryland

Director, Programs and Marketing, American Horticultural Society, Alexandria, Virginia.

Steering Committee, National Compost Symposium, EPA/National Recycling Coalition, Washington, D.C.

District Trails Manager, Northern Virginia, Potomac Appalachian Trail Club, Washington, D.C.

Technical Editor/Reviewer, District of Columbia Cooperative Extension Service, *Extension Environmental Volunteer Program Manual*, Washington, D.C.

Chair, Fairfax County Attractions Council, Bureau of Economic Development, Fairfax County, Virginia.

Associate Editor, Potomac Appalachian, Washington, D.C.

Director, Advertising and Marketing, American Forestry Association, Washington, D.C.

Chair, Conservation Committee, Potomac Appalachian Trail Club, Washington, D.C.

Assistant Editor, American Land Forum and American Land; editor, ALRA News, American Land Resource Association, Washington, D.C.

Volunteer Naturalist, Potomac Overlook Regional Park, Arlington, Virginia.

Chair (Founding), Coalition for the Capital Crescent Trail; Editor, The Crescent, Bethesda, Maryland.

President, Capital Hiking Club, Washington, D.C.

## **EDUCATION**

Georgetown University, Washington, D.C. Master of Arts, 1983.

Georgetown University, Washington, D.C. Bachelor of Arts, Magna cum Laude, 1978.

## **PROFESSIONAL SOCIETIES AND AFFILIATIONS**

Outdoor Education Association, Rockville, Maryland

Maryland Association for Environmental and Outdoor Education, Annapolis, Maryland
